

Hello!

Thank you so much for enrolling your child in Surf Ride's Surf Camp! We are so excited to spend the week with your child teaching him/her how to surf all while building memories that will last a lifetime!

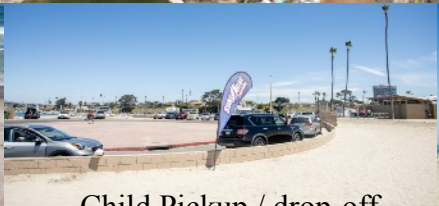

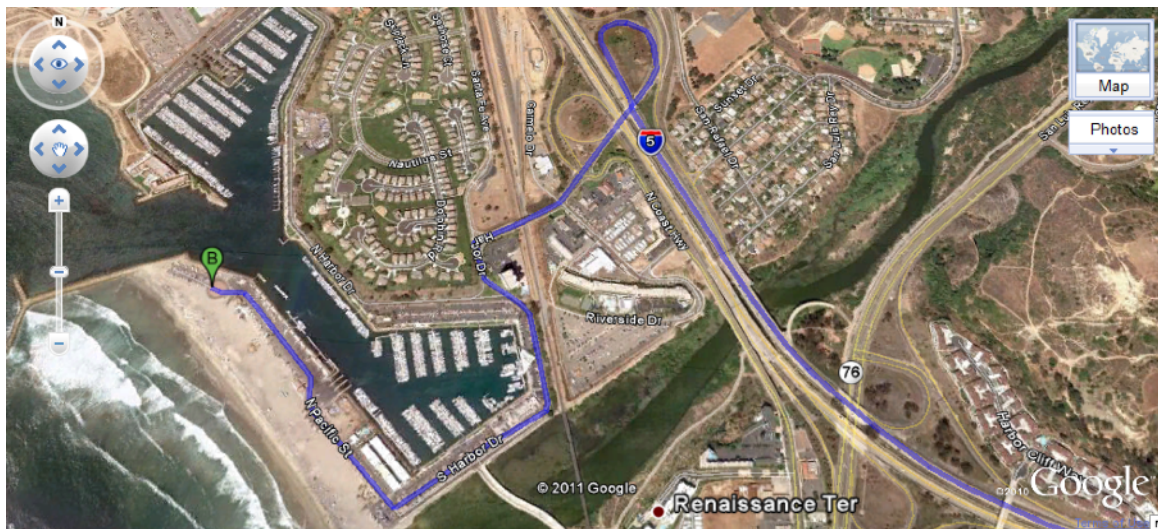

We wanted to let you know a few things before the camp begins:

- >This week's surf camp will take place at the Oceanside Harbor (North Jetty).
- >Camp starts at 9:00 a.m. and ends at 1:00 p.m. every day.
- >Please be prompt when dropping off and picking up your child!

DIRECTIONS

From the 5 Freeway:

Take Oceanside Harbor Drive exit and go west. Continue until the road ends and turn left into the Oceanside Harbor. Make a quick left turn at the "Y" onto South Harbor Drive. South Harbor Drive will end at a stop sign (go past the restaurants). Make a right on N Pacific St. Go past the boat launch ramp, then past the Harbor Beach Campgrounds. **The camp is next to Lifeguard Tower 16!** The road will turn into a "roundabout". Follow the circular road to the west end and pull over to the side. You will see a Surf Ride flag set up. You don't have to get out of the car. We will escort your child to and from camp from your car.

OTHER IMPORTANT INFO:

>Please apply a good amount of sunscreen to your child before he/she arrives at camp. We strongly suggest that your child wears a dark-colored rashguard all week to prevent sunburns! Even apply sunscreen under rashguards! Instructors will be reminding children to apply sunscreen throughout the day. Remember your child is most likely to get sunburned on overcast days! We will do our best to remind your child to apply sunscreen, but we are not responsible for sunburns. Sunscreen (SPF 30) will be on the beach all day, every day.

>Please have your child bring a towel each day.

>On cold days, a sweatshirt is a good idea.

>Please don't have your child bring any other personal items as they may get lost. If there is something specific your child will need, please label it with your child's name.

>If you or your child has any special needs/request please email SurfSchool@surfride.com so we can do our best to accommodate him/her.

>Please do not have kids bring cell phones to camp! If you need to get a message to your child a director will be available for contact during camp hours.

>Campers will not be allowed to leave with an unauthorized individual. If someone else will be picking up your child at the end of the day let the counselor at the registration know and we will fill out an Alternate Pick-up Form.

>Fridays are our contest days! The surf contest is optional. If you would like to watch your child show off what he/she learned at camp, please arrive by 11am. Keep in mind that Fridays are very busy, so plan on arriving early. Parking is \$15.00 or you may park in "Free Parking" located behind Joe's Crab Shack. It's a long walk (about 15 minutes) so give yourself plenty of time.

>Campers will be divided between 3 groups (beginner, intermediate, and advanced). Please do not make grouping requests. The only time the campers will split up is in the water according to surfing level. All campers will be together on the beach.
